

RUSSELLVILLE RECREATION AND PARKS COMMISSION
Minutes from Special Called Meeting
October 10, 2019

Present: Johnny Brazil, Dallis Clark, Jamey Ellis, Bryan Fisher, Alderman Chris Olson,
Terry Thomas
Absent: Greg Hines
Person Recording: Kelli Nealy
Guests: None

Bryan Fisher called the meeting to order at 12:15pm.

Old Business

- A. **South Inglewood Side-Path Trail**-Alderman Chris Olson addressed the commission about the Inglewood project that includes using the easement as a single track bike trail. Initial plans included rock ramp obstacles that could be used by children as well as adults. Because initial project costs were estimated, an additional \$35,000 is needed to complete the trail. A brief discussion followed including whether area residents had any concerns with the ramp obstacles. Johnny Brazil made a motion in favor of the project. Dallis Clark seconded the motion, and the motion passed. The project will be presented to City Council for approval and determination of funding source. The commission requested that City Attorney Trey Smith be consulted about using parks department sales tax monies to fund the trail since it is not in a city park.

The meeting adjourned at 12:40pm.
