PURPOSE

Because of the emergency nature of RFD operations, it is important to detect, and rectify any radio difficulty as soon as possible after it is detected. Therefore, the purpose of this policy is to define the proper actions taken in the event that a radio difficulty is detected.

POLICY

It is the responsibility of all RFD personnel to pay close attention to the way the RFD Radio System is functioning. If a technical difficulty arises, all RFD personnel are responsible for knowing the proper procedure to report such difficulties.

It is the responsibility of the Shift Commander to correct the problem as soon as possible after detection. If any Russellville Fire Department personnel becomes aware of a technical difficulty with any radio equipment, the Shift Commander on duty shall be notified via the Chain of Command.
