

RUSSELLVILLE FIRE DEPARTMENT
POLICY MANUAL

Policy Number:
Section:
Original Date:
Revised Date:

PURPOSE

The purpose of this policy is to ensure that pumps are properly maintained each month.

POLICY

Each apparatus operator shall be responsible for performing the monthly backflushing of pumps on apparatus.

The Company Officer shall be responsible for seeing that the scheduled maintenance is performed and that the date is entered.

Monthly Maintenance

On the designated Monday each month, the apparatus shall perform the following maintenance:

1. Visually inspect each intake and discharge for any apparent damage
2. Ensure threads are clean and free of debris
3. Completely open and close each valve and drain several times
4. Backflush each intake and discharge with screened adapter
5. Fill Booster tank to appropriate level

Any damage shall be immediately reported to the Company Officer.

Semi-Annual/Yearly Maintenance

Yearly and semi-annual maintenance will be performed according to manufacturer recommendations.

Approved

Fire Chief
