

August 17, 2009

Effective October 1, 2009 Waste Management of Arkansas Inc., will provide the service of retrieving the solid waste, recyclables, yard waste, and bulky waste for the City of Russellville.

During the month of September Waste Management will be delivering a 96 gallon solid waste cart and a 96 gallon recyclable cart to each residential customer.

The billing for solid waste/recycle service will be billed through City Corporation on your monthly water bill in the amount of \$14.99 plus sales tax.

If you have questions or need assistance with your solid waste billing, recycling, yard waste, and bulky waste, please contact Waste Management of Arkansas, Inc., at 479-880-2278(CART). Waste Management will provide a local representative to handle these concerns.

If you are disabled and need assistance to have your carts picked up at the front or side of your residence you will need to call Waste Management and provide them with documentation from a licensed doctor stating this is a service that you medically require.

The City of Russellville wishes to make the recycling and solid waste disposal system a positive transition for the citizens of Russellville.
