City Council Report - February 2025

Russellville Aquatic Center (RAC) Highlights

January was an exciting and eventful month at the **Russellville Aquatic Center**, with a great mix of activities, training, and community engagement.

Programs & Events:

- We kicked off the New Year with modified hours on January 1st to accommodate holiday schedules.
- RHS Swim Meets brought energy and competition to the center on January 9th, 16th, and 30th.
- Water Aerobics returned on January 7th, offering sessions every Monday, Wednesday, and Friday:
 - 10:00 AM – Deep Water
 - 11:00 AM – Shallow Water
- Aqua Zumba made a splash as it resumed on January 7th, with classes on Tuesdays and Thursdays at 11:00 AM.
- The Morrilton Scuba School hosted its SubAbility Program on January 18th and 25th.
- Our popular 2nd Friday event was moved to January 31st, and it was a huge success! We had a fantastic turnout of 12 participants, which allowed us to have 5v5 teams with subs.

Staff Development:

- Janna Martin, Justin Fielder, and Molly Smith attended the Annual Arkansas Aquatic Conference from January 21st–23rd.
 - Justin took the first steps toward earning his Certified Pool Operator Certificate.
 - Janna and Molly completed their in-person exams for Water Aerobics Instructor Certification.

With a strong start to 2025, we're looking forward to even more community participation, fitness opportunities, and special events in the coming months!
