DEMOLITION PROCEDURE REQUIREMENTS	
The State of Arkansas, Department of Environmental Quality, having passed the Arkansas Asbestos Abatement Regulation (Regulation 21), requires an inspection of any building or structure for the containment of asbestos prior to demolition or renovations.	
Demolition permit procedure shall be as follows:	
1. Upon request to obtain a Demolition permit to be issued by the City of Russellville Fire, Building & Safety Division, the owner/applicant shall be given notice of the Department of Environmental Quality, Regulation 21.	

2. Owner/applicant shall be required to sign this form as an acknowledgment of receipt and understanding of the state regulation. The City of Russellville IS NOT responsible for any damage to public or private property associated with demolition of structure.

3. All portions of the structure , including the foundation, shall be removed.

4. All debris shall be removed from the lot and no debris from the demolished structure shall be visible on nearby property.

5. No debris shall be buried or burned.

6. It shall be the owner/applicant's responsibility to provide for asbestos containment inspection and proper disposal of any material.

6. Upon obtaining this demolition permit, IT SHALL BE THE OWNER/APPLICANT RESPONSIBILITY to notify Entergy, Centerpoint Energy, City Corporation (Water/Sewer), and other utilities requesting disconnection and verification of disconnection of utilities BEFORE COMMENCING WITH DEMOLITION OF SAID PROPERTY. Also, it is the property and/or building owner's responsibility to ensure that all utility accounts have been closed prior to utility disconnection.

7. Owner/applicant is hereby advised that it is the owner/applicant's sole responsibility to ensure compliance with all applicable rules and regulations concerning building, demolition, and asbestos abatement as may now or hereinafter be promulgated by the Arkansas Department of Environmental Quality and/or the U.S. Environmental Protection Agency. In this regard, the owner/applicant is encouraged to contact ADEQ prior to commencement of work. Arkansas Department of Environmental Quality, Air Division, (501) 682-0718.
