

Fire Service Mutual Aid Agreement Pope County, Arkansas

Updated 2010

In order to protect the lives and property within Pope County, the territories served by the departments undersigned, and for the mutual benefit of the parties or persons whom they serve and protect, it is hereby agreed:

1. That each party, upon proper authorization received from the requesting agency, will lend to the other aid and assistance in any fire, natural disaster, or other emergencies within the capabilities and missions of the parties. Such aid and assistance includes, but not be limited to providing supplemental or standby personnel and equipment for such periods of time and at such locations within the district of the requesting agency as mutually agreed.
2. Such assistance is intended to be reciprocal and will be extended on this basis.
3. That if either party joins in a similar agreement with other like protection agencies, such agreement shall be construed in connection with this agreement and considered proper basis for assistance under conditions of this agreement.
4. That all members and equipment of the reciprocating fire departments while rendering such service shall be considered engaged in emergency activities within their line of duty and shall exercise due regard commensurate with the call for service.
5. That NIMS structure shall be used for coordination of agencies while receiving or providing aid.
6. No part of this agreement shall be construed to modify or void Arkansas Code: Title 12, subtitle 5, Chapter 75 including the state wide mutual aid agreement, therefore any part of this agreement conflicting said document is hereby repealed.
7. This agreement affirms the deliberate cooperation of the agencies listed herewith in.

With my signature on behalf of the department represented, as officer authorized to request or provide mutual service, do hereby adopt this agreement of mutual aid to remain enforce until dissolved at the request of the represented departments.
