

**RUSSELLVILLE
URBAN ARCHERY DEER HUNT
BOUNDARIES**

There are 12 numbered boundary areas shown on this map.

Most boundary areas are in wooded, less populated sections of Russellville City Limits. The City does not guarantee access to any of these areas.

Most boundary areas are bordered by named and labeled streets or highways. Hunters are responsible for determining that they are in an approved boundary area.

Hunters are responsible for securing and must possess written permission from property owners and be at least 50 yards away from any dwelling.

All City, State or Corps of Eng. parks or designated trails are closed to hunting and no hunting is allowed within 100 yards of any of these areas.

Hunters are reminded to display vehicle placard in full view on dashboard of their vehicle & carry permit at all times while hunting.

Reminder: Read carefully and review the 2012-2013 Urban Deer Hunt Protocol provided by AGFC.

Check deer on line at www.afgc.com.

First deer must be a Doe & must be donated to Arkansas Hunters Feeding the Hungry.
